Product sampled at client's facility using Novacann Labs' latest approved sampling method (NLTP:SH). All components presented on this certificate make up the complete report. Product tested by Novacann Labs using validated testing methods & a quality system as required by law. Values reported relate only to product tested. Novacann Labs makes no claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Novacann Labs. The samples were analysed following the latest version of the laboratory's SOP used for each test method. Samples that have failed result have exceeded the maximum permissible limits of an analyte(s) stated on the latest version of Regulation No. 9038 of the Department of Health of Puerto Rico.
